

ATTENTION BRAVE AND NOBLE CITIZENS OF EARTH

Recently, a number of pundits and official publications have been misconstruing facts and promoting fiction to the rank of reality, in a series of bold attempts to dissuade the general population from believing the truth. Their lies are false. Their truth is false. Their authority is false. We can tell, because even their hair and teeth are false.

THERE IS NO DISCORDIAN SOCIETY

anywhere!

The attempts to scare you into submission will ultimately fail. But will you have the courage to win, citizens? THERE IS NO TERRORIST BY THE NAME OF ALI-ALI AKHSENFREE. DO NOT BELIEVE THE HYPE. You don't believe everything you see on TV, do you? So why believe the NEWS?

THERE IS NO ALL-SEEING FATHER OF THE ANTEDELUVIAN SECT OF PROTOPLASMIC ORGANIDS. Furthermore, if there were such a person, he would not be bent on the destruction of your freedom. But there is no such person.

THERE IS NO DISCORDIAN SOCIETY

unfortunately!

There is no microphone on your television set (that you know of). Therefore, YOUR TV IS NOT LISTENING TO YOU. It is only pontificating AT you. THERE IS NO ONE LISTENING IN ON YOU RIGHT NOW. DO NOT BE ALARMED. Your privacy is Virtually Assured.*

You are not, in fact, the target of any conspiracy. Do not worry about what THEY tell you. There IS NO CONSPIRACY.

Your freedom is not under attack because in order to attack a thing, it must exist.

PASS IT ON!
